

Liquid Mortar Plasticiser

Safety Data Sheet

(17th April 2012)

(version 1)

Product Identification

Trade Name:	Liquid Mortar Plasticiser
Description:	A premium quality plasticiser designed to improve the workability of all Portland cement based mortars and to increase their resistance to freeze-thaw cycles.

Hazardous Ingredients

Not applicable.

Emergency and First Aid

After Eye Contact:	Irrigate immediately with clean water for 15 minutes and obtain medical attention.
After Skin Contact:	Remove excess material and wash affected area with plenty of soap and water.
After Ingestion:	In case of swallowing seek medical attention immediately. Do not induce vomiting.
After Inhalation:	Remove person to fresh air. If discomfort persists seek medical advice.

Exposure Control/Personal Protection

Respiratory Protection:	Not required under normal circumstances.
Hand Protection:	Impervious gloves.
Eye Protection:	Goggles.
General:	Do not eat, drink or smoke at work place. Wash hands before breaks and after finishing work.

Ecological Information

Mobility:	Mobile.
Degradability:	Low.
Accumulation:	Not expected.
Short and Long Term Effects:	Not anticipated.

Toxicological Information

Skin Contact:	Possible irritation.
Eye Contact:	Irritation.
Effects of Inhalation:	n/a.
Ingestion:	Irritation.
Long Term Effects:	Not known.

(version 1)

Stability and Reactivity

Stability:	Stable.
Conditions to Avoid:	Excessive temperatures, frost.
Materials to Avoid:	Not applicable.
Hazardous Decomposition Products:	n/a

Physical and Chemical Properties:

Appearance:	Red liquid.
Odour:	Characteristic.
Flashpoint:	Not applicable.
Flammability Limits:	Not applicable.
Boiling Point:	Not applicable.
Solubility (water):	Soluble.
pH:	12.

Fire Fighting Measures

Extinguishing Media:	All standard methods.
Unsuitable Extinguishing Media:	Not applicable.
Special Exposure Hazards in Fires:	Not applicable.
Protective Equipment:	Not applicable.

Transport Information

No regulations apply for the transportation of this material. Not classified as hazardous for road, rail, sea or air transport.

Waste Disposal

Appropriate methods of disposal: Absorbed onto inert material and then landfill. Statutory requirements for waste disposal: Do not allow to enter water courses.

Regulatory Information

Label:	Non Hazardous.
---------------	----------------

Accidental Release Measures

Personal Protection:	Gloves, overall and boots.
Environmental Precautions:	Not applicable.
Clean up Methods:	Absorb on inert material and treat as industrial waste.

Liquid Mortar Plasticiser
