

PVCu Cream Cleaner Information Sheet

Description

A fast acting, solvent-free cleaner that removes dirt and stains without scratching. This premium product also restores surface colour and buffs to leave a deep clean sheen without the need for rinsing.

Directions for use:

Application:

- Apply SkilledBuild PVCu Cream cleaner to a soft absorbent cloth and wipe over the surface.
- For stubborn or heavy contamination apply extra material to the cloth and rub the appropriate area firmly.
- Finally, buff the surface to a bright finish with a clean dry cloth.
- For exceptionally heavy contamination SkilledBuild Solvent PVCu cleaner may be used.

Disposal of Containers:

- Do not leave empty containers where residue could be harmful to children, animals or the environment.
- Replace lids and remove any containers to a central disposal point in accordance with local regulations.

Health and Safety:

- Product presents a low hazard in correct use
- Avoid eye contact. In the event of contact irrigate eyes immediately with plenty of cold, clean water for 15 minutes and seek medical attention.
- Do not ingest. In the event of ingestion, do not induce vomiting, drink plenty of water and seek medical attention.
- Thoroughly wash hands with soap and water or a proprietary hand cleaner after use.
- Keep out of reach of children
- Some people are more sensitive to chemical products than others. If irritation occurs discontinue use.
- See separate material safety data sheet for more in depth information.

Areas of Use

- Suitable for both white and plastic veneered PVCu frames, claddings and trims.
- Taps.
- Siks.
- Trims.
- Plastic fittings.
